

## Andrew Tubesing

LAB MANAGER Weekly Schedule Fall 2009

**If my light is on, I am in the building.**

| Time  | Sunday | Monday                             | Tuesday                                    | Wednesday                                  | Thursday                  | Friday | Saturday | Time  |
|-------|--------|------------------------------------|--|--|---------------------------|--------|----------|-------|
| 7:00  |        |                                    |  |  |                           |        |          | 07:00 |
| 8:00  |        |                                    |  |  |                           |        |          | 08:00 |
| 9:00  |        |                                    | EE289<br>0900-1015                         |  | EE 101L-01<br>Workman 116 |        |          | 09:00 |
| 10:00 |        |                                    | Office Hours<br>1015-1100                  |  |                           |        |          | 10:00 |
| 11:00 |        |                                    | EE101-01<br>Speare 113<br>1100-1215        |  |                           |        |          | 11:00 |
| 12:00 |        | Lunch                              | Lunch & Meetings                           | Lunch                                      | Lunch                     | Lunch  |          | 12:00 |
| 1:00  |        |                                    | Office Hours<br>EE101 & EE289<br>1300-1500 | Office Hours<br>EE101 & EE289<br>1300-1500 |                           |        |          | 13:00 |
| 2:00  |        | Office Hours<br>EE101<br>1400-1600 |  |  | EE 101L-02<br>Workman 116 |        |          | 14:00 |
| 3:00  |        |                                    |  |  |                           |        |          | 15:00 |
| 4:00  |        |                                    |  |  |                           |        |          | 16:00 |
| 5:00  |        |                                    |  |  |                           |        |          | 17:00 |
| 6:00  |        |                                    |  |  |                           |        |          | 18:00 |
| 7:00  |        |                                    |  |  |                           |        |          | 19:00 |
| 8:00  |        |                                    |  |  |                           |        |          | 20:00 |
| 9:00  |        |                                    |  |  |                           |        |          | 21:00 |

- During un-shaded times I should be available.
- Time junctions with borders are fixed times, those without borders are floating times.
- Please do not disturb me during class/lab unless you have an urgent need.
